

The Keys To

Unlock Your Purpose

Cheri Fletcher

Unlock your purpose.

Thank You...

I am so glad you are here.
This is a place where you do fit in.
Where others just like you want to know they
are valued and that God is still using them.

I have compiled questions that have helped
me when I have felt lost and without a
purpose.

Please pray before answering the questions.

Ask God to bring to mind situations, things
you have been told by others as to your
character and how you have blessed them.

Ask a very close and trusted friend or family member what areas they have seen you serve or
how you have made them feel.

Look for a common gift, a common emotion and places of conviction throughout your answers.

Maybe take one question and pray over it for a day or week, letting it be the focus of your study.
I would love to hear your answers.

You can share them with me via email or on our private facebook group -

If you know a friend who believes they don't fit in, that they are of no value and you think they
would be blessed in this community send them the link to join us.

Your Friend,
Cheri
